

Riverfront Preparticipation Physical Checklist:

Dear Parents/Guardians,

Florence's Athletic Department requires students to provide a physical exam to ensure a safe playing environment for your child and to help identify conditions that may predispose them to an injury or sudden death.

Physicals are valid one calendar year from the exam date and should be renewed annually. If their physical is valid on the first day of pre-season, the physical is good for the entire season. Expired physical exams must be renewed in order to participate in another sport/season.

Once a physical is completed, our physician will review it and determine final medical eligibility. If our physician does not clear a student to participate, they cannot partake in any school sports related activity. Please be sure to submit **Basketball Sports exams** before **November 13, 2023**. Failure to submit a physical on time could result in up to a week delay or an inability to participate this season. **Physical Checklist: (**Failure to submit the following information will result in medical clearance delays**)**

- **Original Physical forms MUST be submitted. We do not accept photocopies.**
- **Completed History form**
 - If you answered "yes" to any of the questions, please explain. If you are a returning student, please record any new injuries or illnesses since your last physical exam. Please include
 -
 - dates (Month/Year).
- **Medical stamp from physician's office**
- **Signature from a qualified medical personnel** (ex: M.D., D.O., N.P., P.A)
- **Date of Exam**
- **Vitals**
 - Height, Weight, BP, Pulse, **Vision (some offices will not perform Snellen test)
- **Clearance notes**
 - If your child has an ongoing cardiac, orthopedic, or general medical condition or has been seen by a specialist since their last physical (besides asthma/allergies) we need a clearance note stating that they can participate with or without restrictions.
- **Asthma/Epi-pen Action Plans**
 - If your child has asthma/allergies and uses an inhaler/epi-pen, we need an asthma/epi-pen action plan. Action plans are effective for one calendar year and need to be renewed annually. If your child no longer needs an inhaler/epi-pen, we need a note from their treating physician. Coaches and the athletic trainer are not responsible for carrying inhalers/epi-pens.

Physicals can be turned in to the Riverfront Nurses or the main office. Our hours are Mon-Fri 8am-3:30pm. If you have any questions, please feel free to contact us.

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, a physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
