

# School District of Lake Holcombe

## Transportation of Students to Extracurricular Practices/Activities

I acknowledge that the School District of Lake Holcombe provides transportation for athletes to attend sporting practices and other extracurricular activities that are held at locations other than Lake Holcombe.

Parents may choose to allow their child to drive or ride as a passenger with another student. We expect that the students will arrive at their destination on time, follow the rules designated by the Lake Holcombe and Cornell Schools and their staff, and travel to and from in a safe manner. Failure to comply with these expectations may result in the student losing the opportunity to transport themselves or ride with another student. This waiver will hold the Lake Holcombe School District harmless for students choosing to transport themselves to and from sporting practices held at the Cornell Schools or other practice sites.

This waiver should help make families aware that if there is an accident, the insurance follows the vehicle first and the student/families auto insurance would be primary before the school district policy would be available and then only if there is negligence and beyond the personal limits. This waiver will allow your child to either drive or travel as a passenger to and from Lake Holcombe School for cooperative sports practices. This waiver will be in effect for one school year and must be resubmitted each year. The student will not be allowed to drive or ride with another student to Cornell for practice until this waiver form is completed and received in the Lake Holcombe School Office.

\_\_\_\_\_ has my permission to drive his/her car/truck or be a passenger in another student's car/truck to go to the cooperative sports practices held at the Cornell High School or other practice site. I understand upon signing this waiver form that I give my permission for this agreement to be in effect for the entire school year. For this waiver to be activated all of the parties listed below must sign.

After all parties have signed, a copy will be kept in the student's file, a copy will be sent to the coach and a copy will be sent to the parent/guardian of the student stated on this waiver form. This absolves the Lake Holcombe School District from any liability for the choice you have made to allow your child/athlete to drive themselves or ride to practice with another student. Any false documentation of this waiver will cause the student to be immediately eliminated from cooperative athletics.
