Asthma Treatment Plan – Student

Parent Instructions

The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

1. Parents/Guardians: *Before taking this form to your Health Care Provider, complete the top left section with:*

- Child's name
- Child's doctor's name & phone number
- Parent/Guardian's name & phone number
- Child's date of birth
- An Emergency Contact person's name & phone number

2. Your Health Care Provider will complete the following areas:

- The effective date of this plan
- The medicine information for the Healthy, Caution and Emergency sections
- Your Health Care Provider will check the box next to the medication and check how much and how often to take it
- Your Health Care Provider may check **"OTHER"** and:
 - ❖ Write in asthma medications not listed on the form
 - ❖ Write in additional medications that will control your asthma
 - ❖ Write in generic medications in place of the name brand on the form
- Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow

3. Parents/Guardians & Health Care Providers together will discuss and then complete the following areas:

- Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
- Child's asthma triggers on the right side of the form
- Permission to Self-administer Medication section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form

4. Parents/Guardians: *After completing the form with your Health Care Provider:*

- Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
- Keep a copy easily available at home to help manage your child's asthma
- Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.
